Woodrow Wilson

NINETEEN FORTY-SEVEN

Published by the Senior Class of the
WOODROW WILSON HIGH SCHOOL
Washington, D. C.

Foreword

FOR three years, our school has striven to prepare us, the Class of 1947, to meet and cope with the problems of adult life. During these years at Woodrow Wilson, we have worked, played, studied, and have grown from children into young men and women ready to take our places in the larger world. Some of us will enter overcrowded colleges and universities to continue our search for knowledge and truth, while others will plunge into the struggles of earning a living.

Irrespective of the course we pursue in the immediate future, the burden of maintaining a just and lasting peace for all human beings rests on our generation. May the ideals and principles inculcated in us at Woodrow Wilson enable us to meet our grave responsibilities.

Dedication

to

Norman J. Nelson

WHO during his eleven years as principal of Woodrow Wilson High School organized the school, shaped its policies, worked untiringly and unselfishly to render it of most service to its students, and because of his rare insight into student problems and keen understanding of educational problems, created a great school, one of the outstanding high schools of the country.

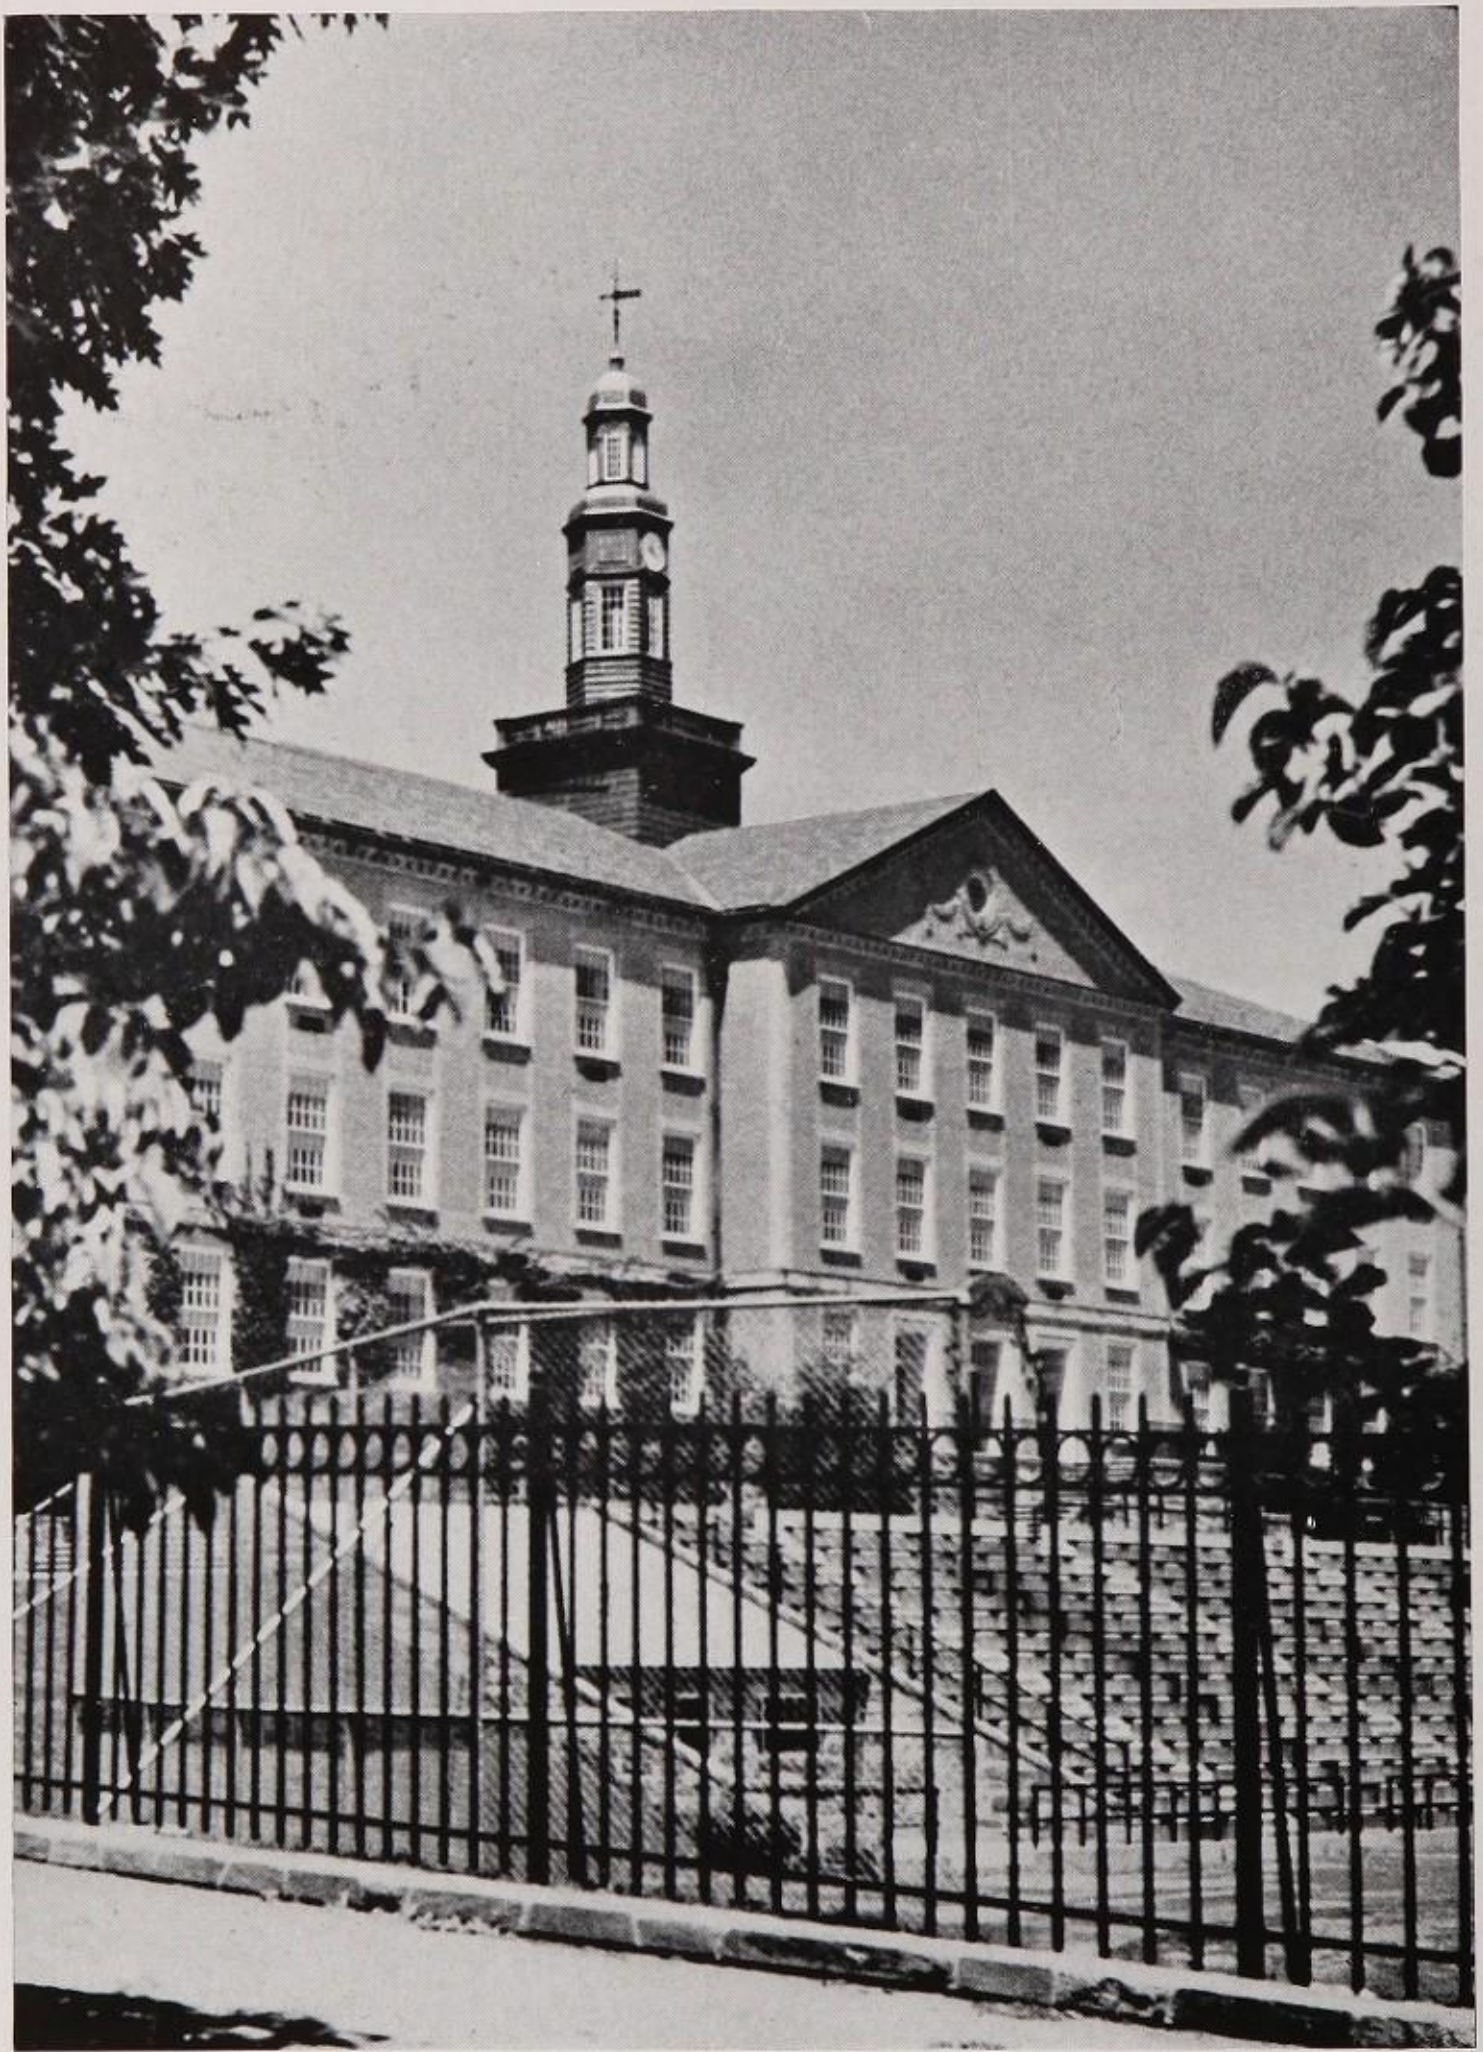

NORMAN J. NELSON

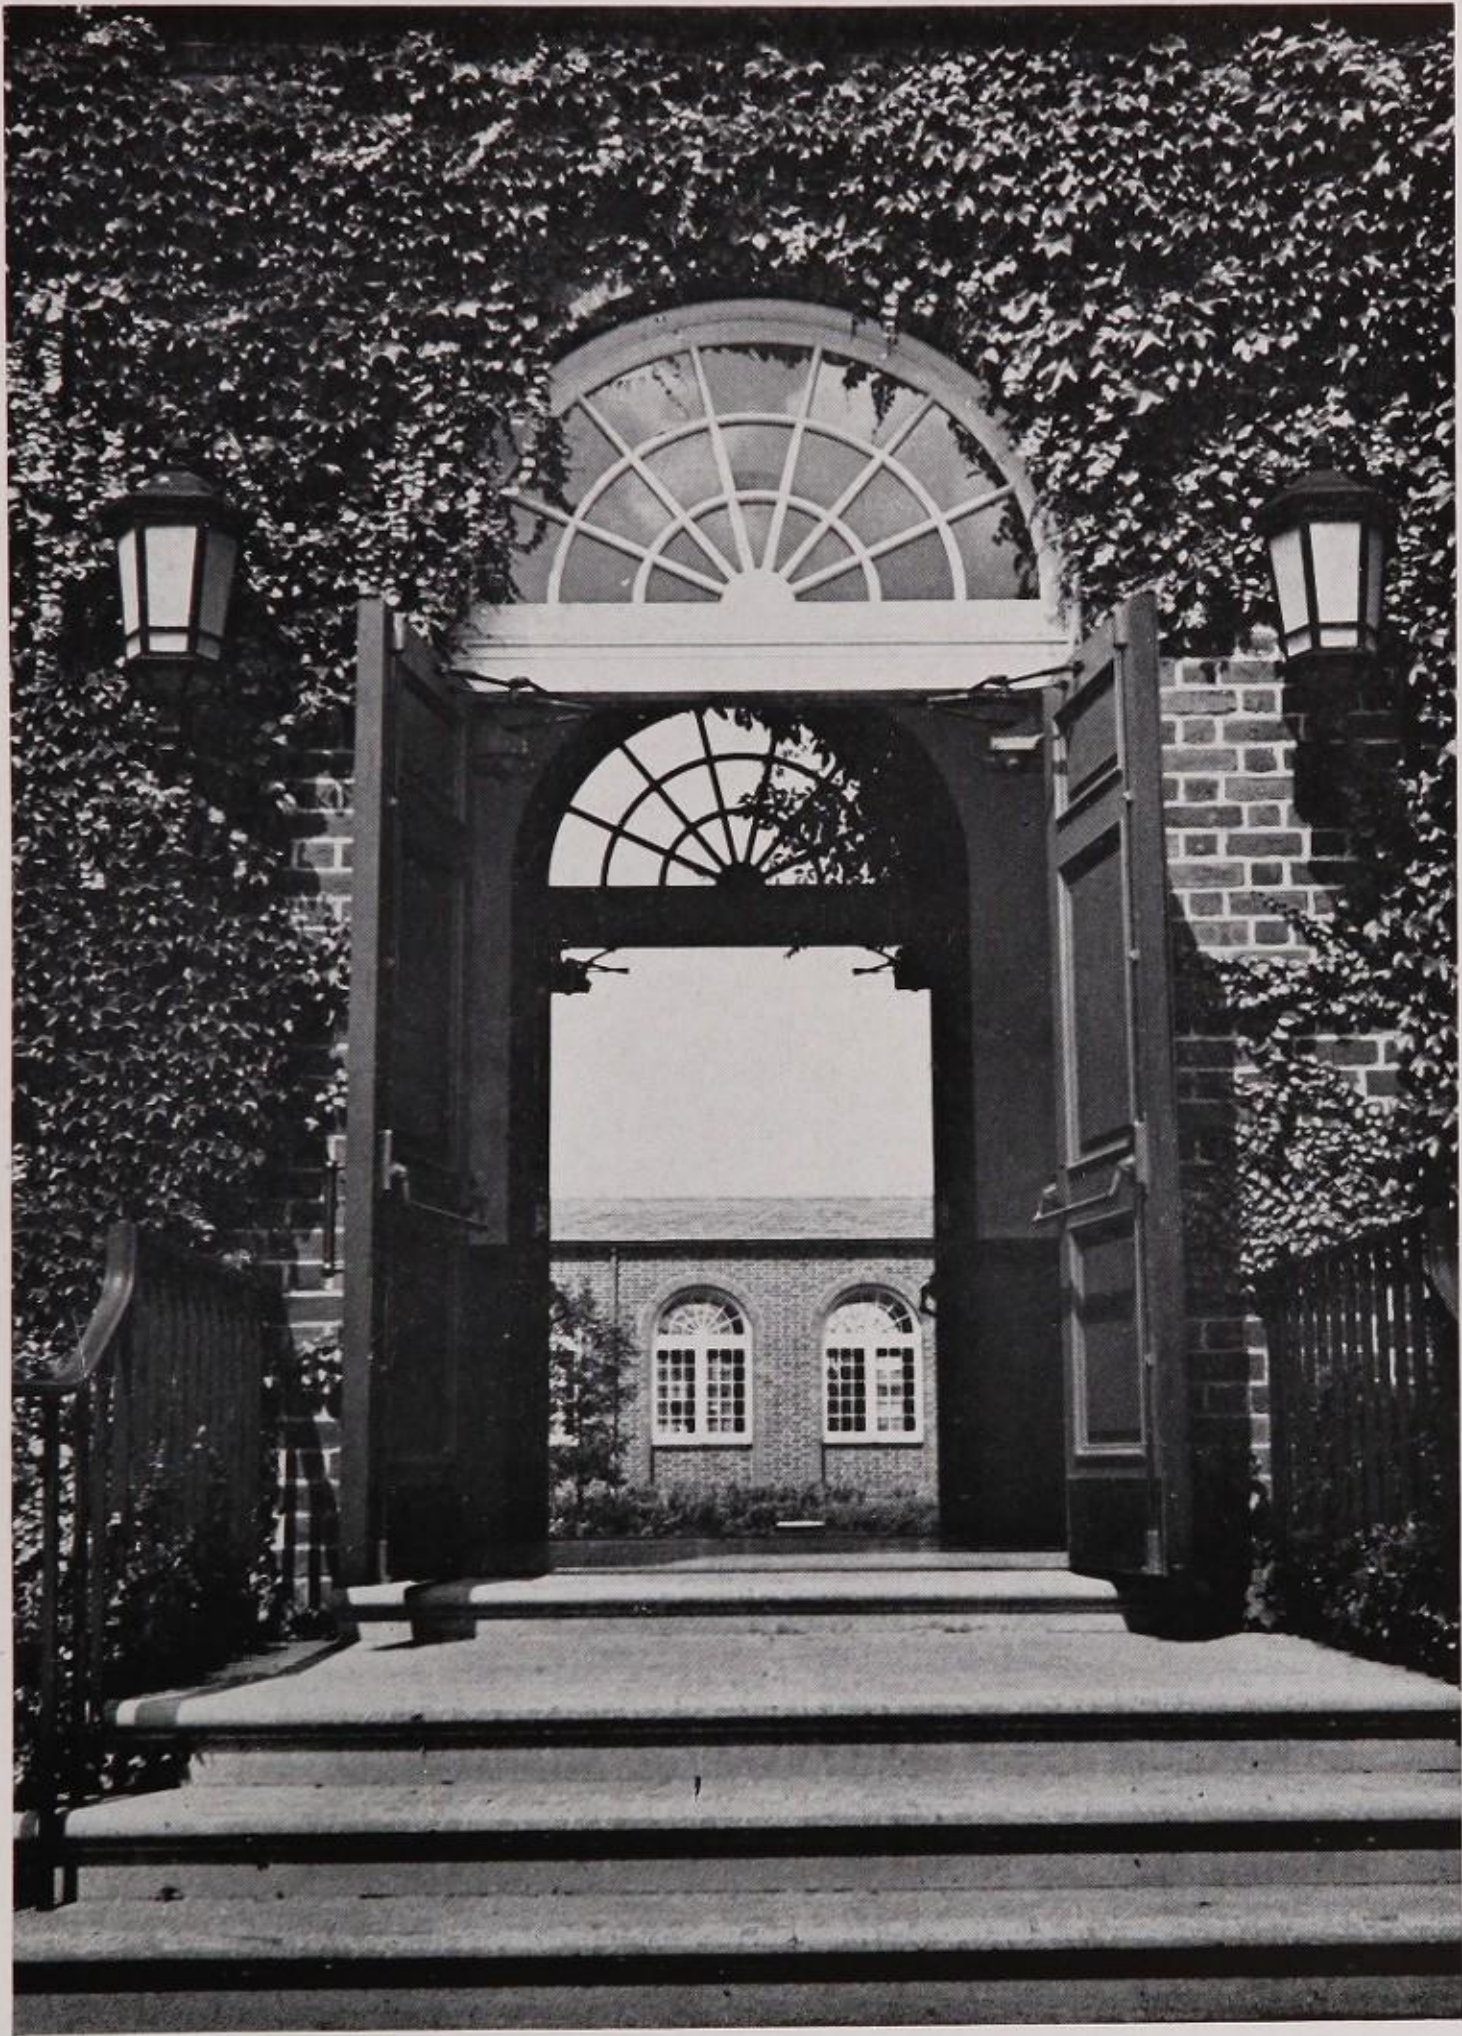

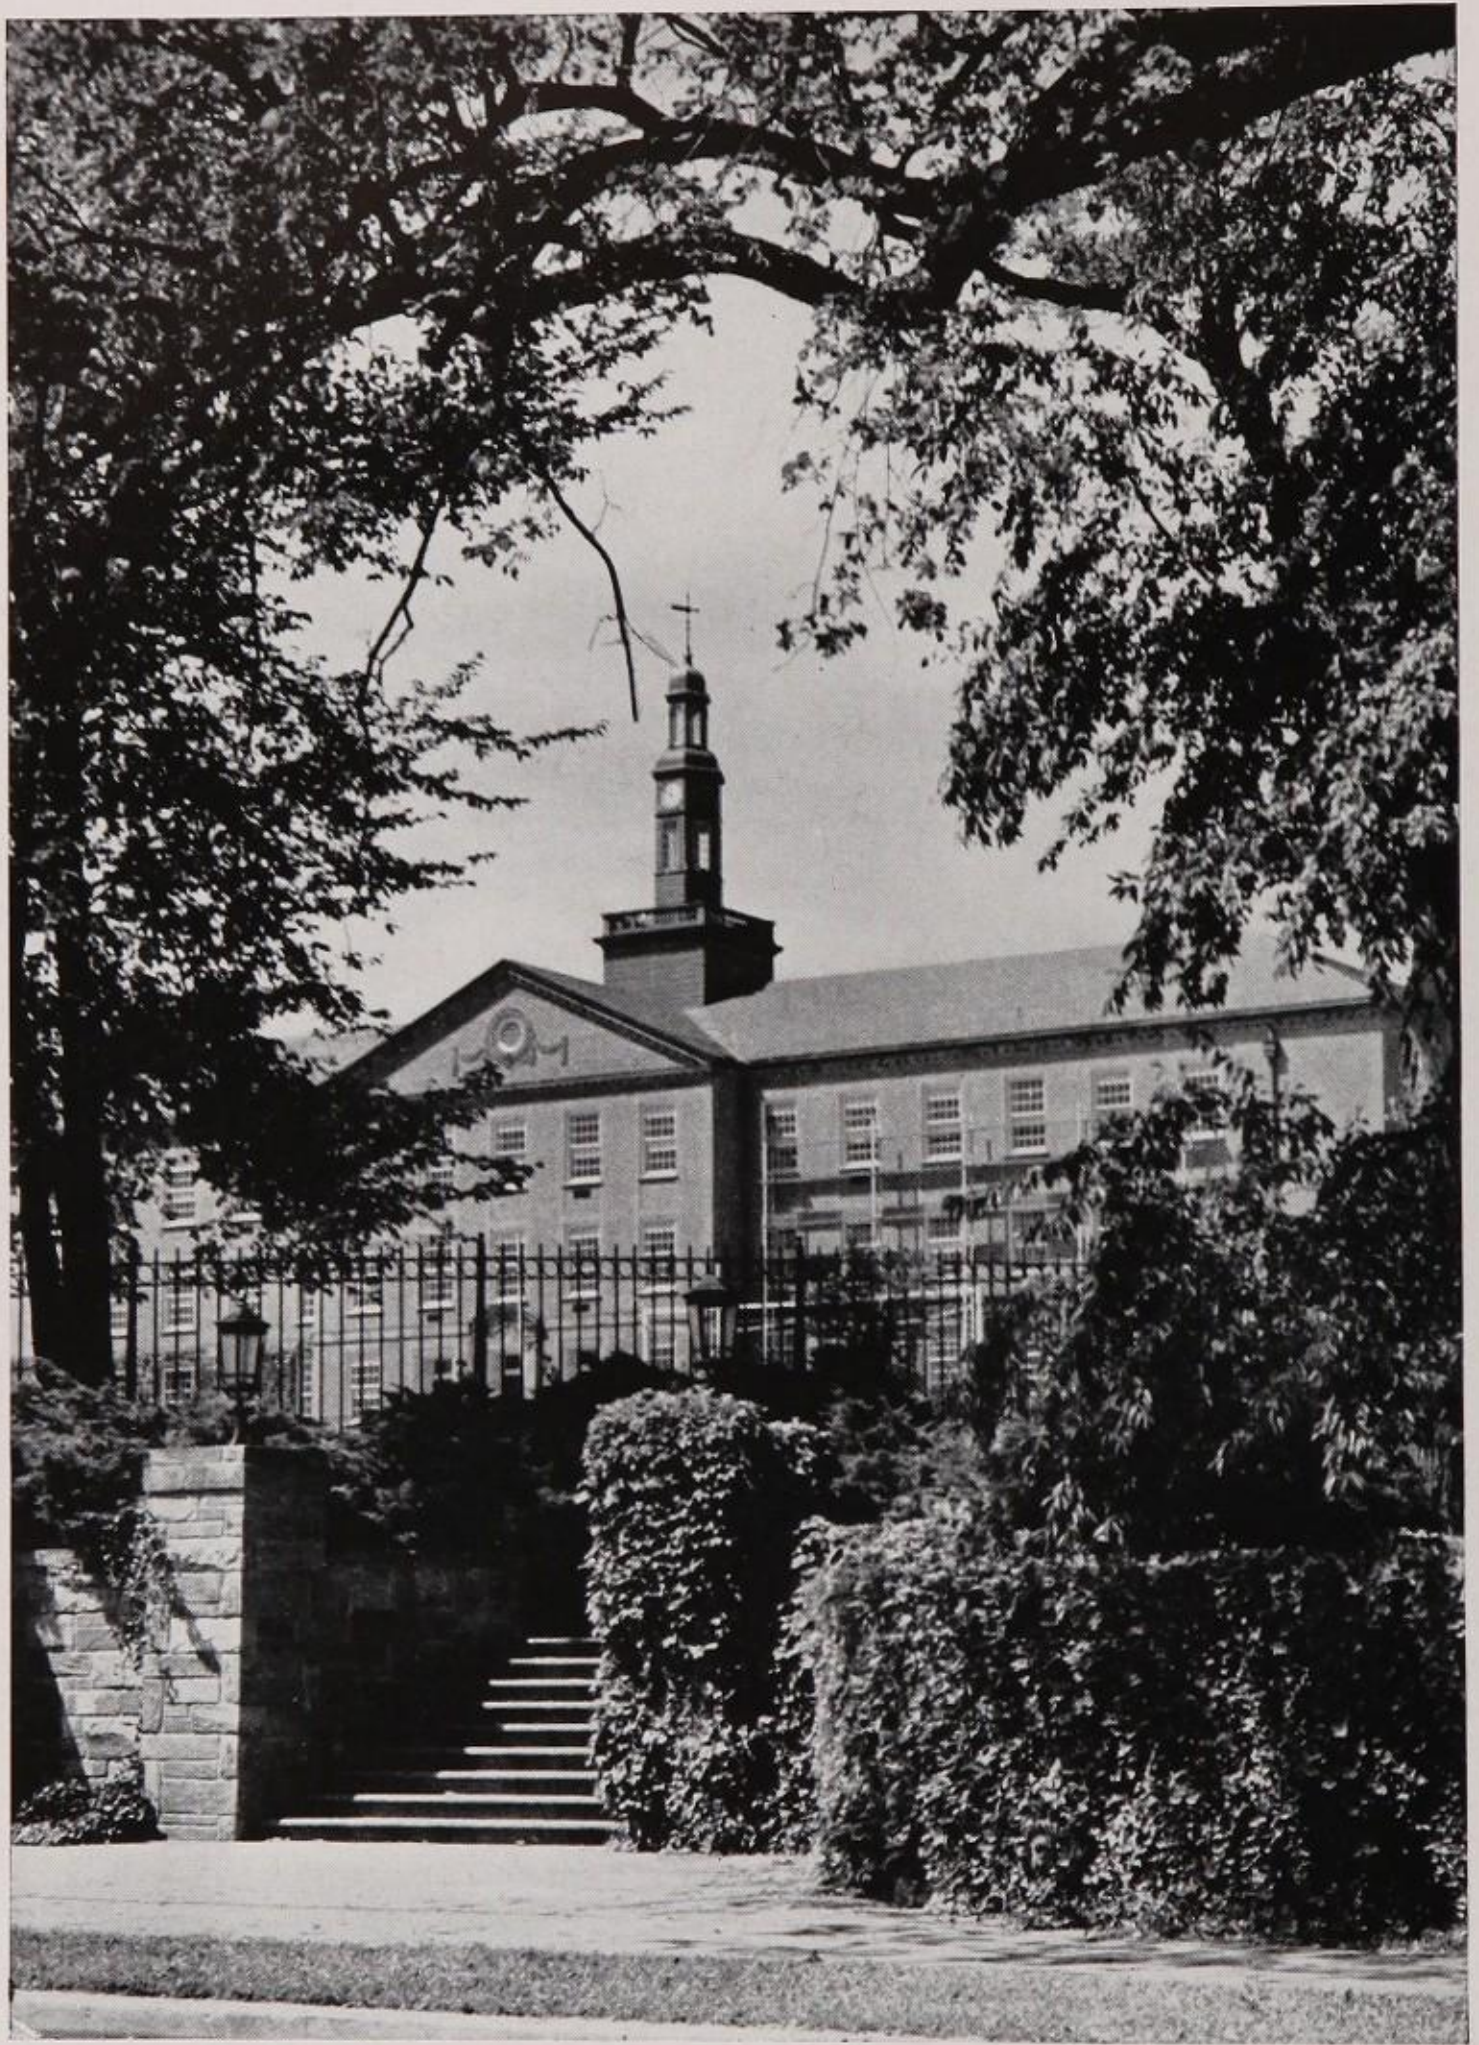

. . . We have as a school passed the infant stage but are still young, and what you do as our products at work or in special schools or in college will be scrutinized closely—by us and anxiously to determine whether our beliefs in your abilities and our hopes for your achievements will be fulfilled—by others and critically to determine whether we have given you all that can be expected of a large city high school. Has your academic training been adequate? Have you been given practice in working, in thinking, in tolerance, and in cooperation? Are you honest and truthful, loyal and reliable, willing and industrious? As soon as you leave us, you begin writing a new chapter that will answer at least some of these questions for us. As you write, others will stand at your shoulders to read, so let your writing be clear and full of pride!

Administration

WE are deeply indebted to our principals and teachers for what they have so unselfishly given us in the classroom. With patience, kindness, and foresight, they have shown us what the future can hold. Their efforts have helped to develop us into young men and young women of whom our country and the world may be proud. It is our sincere hope that the classes following ours will continue to benefit from their teachings as we have.

Mrs. Estelle S. Phillips

ON March 19, 1947, after eleven years of efficient and devoted service as assistant principal of Wilson, Mrs. Estelle S. Phillips was appointed head of the Business Department of the Washington High Schools.

Her interest, friendliness, and co-operativeness have been shown in all of the student activities which she has directed. She has always been especially interested in the activities of the various girls' organizations and an ardent supporter of the May Day festivities.

Mrs. Phillips served Wilson in a dual capacity, acting both as assistant principal and dean of girls. It was her job to help girls select colleges and future vocations as well as to handle the disciplinary problems that arose among the girls of the school.

Her loss has been felt by all those who have been so fortunate as to have known her and to have worked with her. Though she has left Wilson, we know she will always have Wilson's interests at heart, and we extend to her the very best of wishes for continued success in her new position.

Seniors

REALIZING that we are nearing the end of our high school days, we encounter mixed feelings of regret and joy. With joy we hopefully look forward to the future. At the same time, we are sorry to leave the familiar surroundings, and the friends who have played such an important part in our lives.

The Story of the Year

Homecoming Dance

On September 23, 1946, Woodrow Wilson opened its doors to some 1500 students for the eleventh time since 1935. To some of the new students the vast halls and the tremendous tide of humanity ever-present seemed somewhat bewildering. But to the old students, the school seemed different, perhaps completely new. For one thing the guiding hand of Mr. Nelson was gone, in his place Mr. Holmes was ably conducting the affairs of the school. The end of the summer also saw many changes in the faculty.

On September 21, while most of us were still catching up on lost sleep or working on our summer jobs, our newly organized Varsity football team ventured forth into "them thar Viginny hills" to soak up a 39 to 7 beating at the hands of Staunton.

By the end of the week, classes were organized and the school was off to another year. At the end of the first week the usual orientation assembly was held at which the intricacies of life at Wilson were explained, and the faculty was introduced to the students.

The next day, September 27, Wilson played its first inter-high loop game, losing to a strong Tech team 38-13. That night the first dance of the year was held, The Homecoming Dance, with Al Rine providing the sweet and solid.

Outside of the interhigh league, Wilson beat George Washington High School 7-6 in an exciting night game at G.W.

On October 8th the candidates for Student Council officers were introduced to the student body. The election returns found Keith Seegmiller President, with Bill Boteler as Vice-President.

October 11 saw a pep rally in the morning to stir up some steam for the Anacostia game that afternoon. Mr. Nelson made his first official visit to the school and was presented with a gift in the name of the students. It would seem that the Pep assembly was a success, for that afternoon we took our first Inter-High game from Anacostia, 13-6.

The following week students hacked and wheezed in front of two monstrous X-Ray

Fall Football

machines to prove their freedom from T.B. At the end of the week another pep assembly for the big Coolidge game was held, but to no avail—we lost that one 14-0. Ouch! As if the X-Rays weren't enough, on October 21 and 22 our teeth, eyes, and hearing were tested, bringing the perennial rainbow assortment of cards for our doctors to fill in. We came out on the wrong end of a 13-0 score with Central bringing our record so far to a win and two losses.

The following week Captain Ashworth, U.S.N., gave an extremely interesting talk with color movies of the Bikinni tests. To stir up interest (business, too) in our yearbook, the editors and other unfortunates presented what we laughingly called a show to a horrified student audience. Another pep assembly and a 28-6 win over Roosevelt rounded out an eventful week.

On November 5, Wilson students along with Washingtonians had a chance to vote in a city plebiscite for a city government and Congressional representation. That Friday in the last three seconds of the game with Eastern, a Schenck to Simmel pass upset the Ramblers 13-7. We all enjoyed a short holiday over Armistice Day.

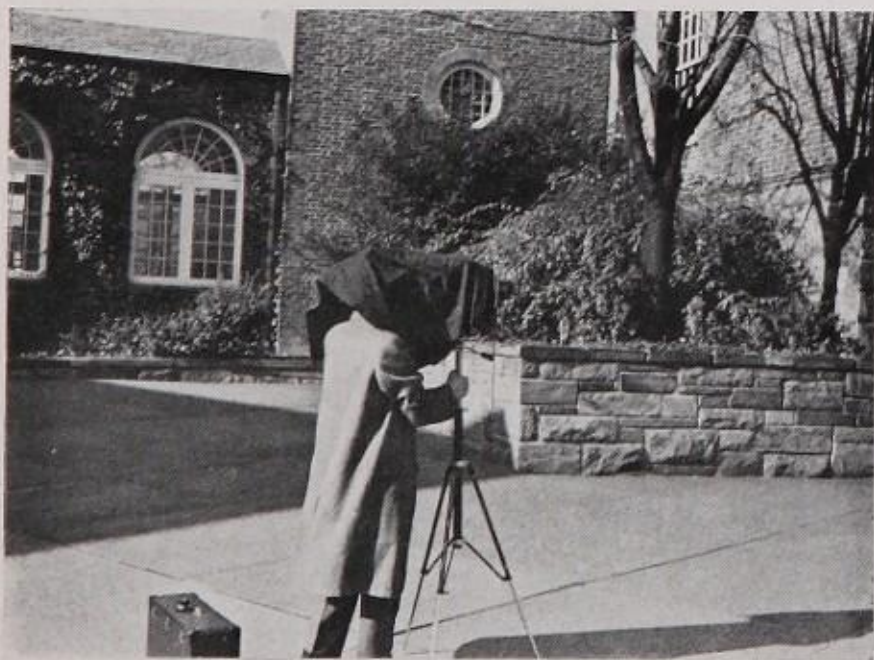

Christmas Assembly

Wilson's annual operetta was excellently presented on the 14th and 15th of November. This year's choice was Gilbert and Sullivan's *H.M.S. Pinafore*. The first series of Yearbook pictures were taken on the 21st. The next day Wilson's varsity football team ended their season with a heartbreaker game, losing to Western 12-14.

A godsend to most of us came in the form of a four day Thanksgiving vacation. Over that holiday many of us saw Coolidge beat Tech 18-6 for the 1946 Inter-High Football championship.

The gals got their chance at the popular Sadie Hawkins Dance on December 6th. To close out the 1946 season the "W" club presented their annual Santa Swing with great success. That day was the last school day for the year, and most of us could really use the gay holiday season ahead of us.

Of course, all good things have to end, so at some ungodly hour on the morning of January 2, 1947, a few brave souls ventured out of their warm beds to go to school. Judging by the sleepy looks on the faces of those in the classes, we could have used about three or four more days of sleep.

Taking Yearbook Pictures

Wilson vs. Coolidge

We opened our basketball season with a non-league loss to George Washington, 41-38. The Cage-Tigers dropped a 41-36 thriller to the Tech Trainers on their court January 10 to open our Inter-High season. On January 17, only in the last minutes of a close fought game with Anacostia, we came out three points shy of the Indians 39.

With class meetings and such, the senior class of February was kept quite busy, taking time out for their farewell assembly and class night supper. The second February Senior Prom at Wilson given outside the school was presented at the Chevy Chase Womans Club on January 23.

In a superb game against a highly touted Coolidge team, the Tigers kept them guessing for four exciting quarters. Then time and Wilson went in opposite directions, in an overtime period, and we lost by three points, 47-44.

On February 1, the Cagers finally shook off their stigma of defeat and trounced Central by 10 points in a onesided game, 50-40.

A week later the Fighting Tigers rolled over the Rough Riders to the tune of a 43-31 victory.

February 14 saw Keith Seegmiller elected for a second term as president of the student council. That night the Cagers, hot after a two straight recovery, massacred the Western Raiders with a 60-40 victory. This was the highest score rolled up this season by the team. Pat O'Neill tied the high score record of the city by dumping in 24 green-and-white markers. A "slight" 10 inch snow fall on February 21 gave those of us who could find our way home through the drifts an extra day for our week-end. Those of us who ventured out that Saturday night saw the Tigers, gunning for a playoff berth, mangle Eastern 50-34. With spirits high Wilson met Coolidge in the first playoff game the following Thursday night only to be stopped 47-35. The next day at our first Senior Class meeting we elected "Bits" Smith as President of the

Senior Prom

Cheer Leaders

Senior Class. Along about this time some of us realized that April ye 12th dawneth and in a frenzy (or as frenzied as one could be at 8 o'clock A. M.) we scrambled to coaching classes in the morning before school. At the basketball awards assembly we saw letters presented to seven of our team.

The mystic date 3-14-47 finally rolled around and with it the annual country fair. About now, preparations for the Spring play began with "Our Town" this year's choice.

The annual intramural basketball tournament was played under the supervision of Mr. Kupka. Section 304 was the winner of this year's round-robin.

Class committees were formed with Myrna Rees, Dick Murphy, Diane Vigeant, Mickey Rogers, Marilyn Fink as chairmen. On March 19, Mrs. Phillips was appointed Head of the Business Department of the High Schools and left Wilson.

As March went out like a lamb, spring sports came in like a lion—Track enthusiasts predicted the fifth straight inter-high victory for the Wilson

track team. Baseball prospects looked good with many of last year's veterans returning. The golf team was organized with Mr. Kupka as coach. The tennis team under Mrs. Stull, looked forward to rewinning last year's championships.

As if to prepare those unfortunates for college board on April 12, we got a week off for Easter vacation.

As the weather grew hotter and hotter, our thoughts began to wander gradually out of the classroom.

The Cadets began to drill later and later in anticipation of the battalion and company competitions.

May Day rolled around with a varied program of gymnastics and the crowning of the May Day Queen.

The final events of our senior year, the prom, class night, farewell assembly, all gave indication of the end of our stay at Wilson. When we walked across the stadium in June to receive our diplomas, we realized that the Story of the Year had come to an end.

Country Fair

Organizations

BOOKS, compositions and assignments are not all that keep Wilsonites busy. Clubs and organizations, covering any interest a student might have, play an active part in our school life, too. It is through these contacts with others that we become better citizens and really learn the secrets of success.

Student Council

One of the most important organizations in the school, the Student Council, represents the student body. The council, under the leadership of Miss Strosnider, meets every other week, and helps to decide on many of the school-student policies.

Spring Play

Thornton Wilder's Pulitzer Prize-winning play, *Our Town*, was presented by the Woodrow Wilson Players on April 24 and 25, 1947.

The cast included:

<i>Stage Manager</i>	Tom Hume, Walter Davis
<i>Dr. Gibbs</i>	Bob Pelikan, Lindsay Ingram
<i>Joe Crowell</i>	John Shilling, Mickey Rogers
<i>Howie Newsome</i>	Louis Rothchild, Hunter Creech
<i>Mrs. Gibbs</i>	Barbara Rogers, Mary Fleming
<i>Mrs. Webb</i>	Clara Lee Denman, Barbara Gapen
<i>George Gibbs</i>	Bill Hollister, John Shilling
<i>Rebecca Gibbs</i>	Phyllis Chase, Anne Clague
<i>Wally Webb</i>	Tommy McFee
<i>Emily Webb</i>	Martha Hope, Suzanne Braman
<i>Professor Willard</i>	Richard Cox
<i>Mr. Webb</i>	Mickey Rogers, George Marsden
<i>Woman in the Balcony</i>	Rachel Blachly, Laurel Brown
<i>Man in the Auditorium</i>	Hunter Creech, Wynn Kal
<i>Lady in a Box</i>	Elizabeth Macareag, Barbara Rogers
<i>Simon Stimson</i>	George Marsden, Stuart Krasner
<i>Mrs. Soames</i>	Martha Legendre, Jane McGrady
<i>Constable Warren</i>	Wynn Kal, Tom Hume
<i>Si Crowell</i>	Walter Davis, Bill Hollister
<i>Joe Stoddard</i>	Lindsay Ingram, Bob Pelikan
<i>Baseball Players</i>	Hunter Creech, Stuart Krasner, Louis Rothchild, Mickey Rogers

Strikingly unconventional in treatment, the play employed no scenery, no props save a few chairs. The illusion of props was given by pantomime and the Stage Manager served as narrator to describe settings and explain scenes. The complete naturalness of the dialogue emphasized the fact that the play, without a real plot and possessing instead a series of related scenes, involved the lives, thoughts and feelings of ordinary people, such as might be found anywhere, in any town.

Directing the production was Mrs. Lumsden. Costumes, of the 1900-1913 period, were in the hands of the Home Economics classes under Mrs. Diermier. Contributing also to the finished presentation were Miss Dorrel and the Stage Crew, and the Wood Shop under the supervision of Mr. Crum.

Cadets

THOUGH the Cadet Corps at Woodrow Wilson this year consists of only one battalion, made up of two cadet companies and the cadet band, their spirit and devotion to duty, and sportsmanship are exceptionally high. These qualities prepare for the great objective of any cadet, a clean-cut performance in the competitive drill.

Battalion

AS we look back over our service in the Cadet Corps, we find that the hours spent have yielded both profit and satisfaction.

The Corps has been organized as a team practicing three hours a week through fall, winter and spring for a contest of precision and teamwork that is won or lost in only twenty minutes. Each cadet learns to follow orders and, in a small way, to lead. The officers learn to organize, to plan, direct and lead their commands towards the goal of every Cadet: winning the competitive drills.

We learned, "That he who would command, must first learn to obey," and that rank and position carry with them not only privileges but also responsibilities.

As the year draws to a close I want to express my appreciation to all cadets for their untiring efforts during the year. I know that our two companies will give a good account of themselves this spring. It has been a great pleasure to work with my Adjutant, Captain James Cunningham, and with Lieutenant Alan Woolf, who in addition to his own duties as Personnel Adjutant, functioned as Supply Officer during the second semester.

I wish to congratulate Captain Robert Gibbs of "B" Company, Captain Gordon Rampy of "C" Company and Captain Walter Davis of the Band on the performance of their commands.

In Captain Paul Pitcher, our instructor, the members of the Wilson High Cadet Corps have both an able leader and a loyal friend. The Cadet members of the graduating class wish to express our warmest appreciation to him.

JOHN S. MANN,
Major, H.S.C.
Commanding, 6th Regiment.

Company "B"

THIS year has been a particularly trying one for our Cadet Corps. The shortage of manpower so harmful to any organization, has left us hard-hit and small. To those who have seen better days, it is hard to face the facts. To those who have known no different, there is a wondering, deep within.

Despite these handicaps, the spirit has not suffered. There is all the more determination in the hearts of all. The rookies have become well-trained men; the non-coms have become hardened to their duties and responsibilities. One seeing the first few drill days would never have expected results like these.

Many benefits have been gained by this training, but if nothing else were gained, one thing would be worth all the effort. It will come at the time of the Competitive Drill. As the company prepares to march on the field, each man will flush; every fibre will be tense; every faculty of mind and spirit will be consecrated to the giving of the most perfect performance he is able to give. This strange feeling which has never before been felt is that of going "all out to win." Never again need he admit mediocrity to himself, for he will have done his best for his company—for "B" Company—and no man can do more. No matter what the outcome may be, I feel that every man in Company "B" will have done his best.

In conclusion, I wish to express my special appreciation to First Lieutenant Eugene Elder, Second Lieutenant Hayden Moore, and First Sergeant Malcolm Clark for the coöperation they have given in the moulding of the company.

Company "C"

SINCE the beginning of the Sixth Regiment at Woodrow Wilson, the size and number of its companies has gradually decreased. From five companies, we dropped to four in 1943. Today we have but two companies, a little more than half the desired strength. In spite of our size, the quality of the men has not deteriorated. It is upon this fact that my hopes for "C" Company honors in the Company Competitive Drill are based.

The Company Competitive Drill is the true test of the machine-like qualities of the company. Every man must function smoothly in his position, for the Drill is an exhibition of precision and coordinated effort. While these qualities are indispensable to the winning of a Competitive, loyalty and spirit, the factors which unite the men in a company, are equally important, though they do not figure directly into the drill.

I wish to express to Lieutenants Van Eenam and Gichner and to First Sergeant Rothschild my appreciation for their complete support and coöperation throughout the year. To the whole company may I wish the best of luck and success in the Cadet Corps of the years ahead.

Cadet Band

THIS year, although the numerical strength of the Cadet Band is not what it should be, the spirit of the band has been above average.

The boys are interested in making the Cadet Band successful not only for their own personal pleasure, but also to provide competition for the other high schools. I have been proud to work with such a fine group of boys.

Although at present I cannot predict the outcome of the Band Competition, I know that we will do our best to equal, if not surpass, the example set last year.

I should like to express my sincere appreciation to Lieutenant McArdle for his assistance in drilling the band, and also to Drum Major Turner and First Sergeant Creech for their valuable assistance in leading and maintaining discipline. Sergeants Hurst and Barrow rendered invaluable service for making the band a success. My appreciation is extended to all the members of the band for their coöperation and interest.

To our music director, Mr. Essers, who has given his time and energy to increasing the proficiency of the band, we express our gratitude.

Athletics

FROM the very beginning, athletic contests at Woodrow Wilson have constantly demonstrated the good sportsmanship of both spectators and participants. We are all justly proud of the fine records our teams have made in Inter-High competition and have every reason to believe they will continue at this high level.

Football

TECH—38

WILSON—13

Opening their inter-high schedule with a highly rated Tech squad, the Tigers found themselves on the poor end of a 38-13 count. Tricky running by "Bugs" Thompson and a hard charging Trainer line proved the winning margin. Wilson's scores came as a result of a 35 yard run by Mat Guenther early in the first quarter and a blocked kick picked up by John Simmel for the final tally.

WILSON—13

ANACOSTIA—6

Keeping their record at an even two wins and two losses, the Green Tigers played Anacostia to a 13-6 win for their second victory in a row. Wilson displayed all-around punch with Fred Schenck throwing two touchdown passes: one in the second period to Pat O'Neill. Schenck's second conversion was good; a strong drive in the last stanza netted the Indians their six points when Lou Groot bulled his way over from the one-yard line.

COOLIDGE—14

WILSON—0

Striking twice in the first period, Coolidge's high-flying Colts set back the Tigers 14-0 on Wilson's field. Bad breaks plus a well-rounded offensive shook Wilson to its third loss of the season. In one of the roughest games of the year, the Colts scored as a result of a fumble by Matt Guenther on the opening kickoff. After two line bucks, Bill Witzel smashed over for the score. Late in the first period, Bill King on the 15-yard line raced around to the right and then passed across the field to Mitchell for the marker.

CENTRAL—13

WILSON—0

In a game that ended Wilson's championship hopes for the season, Central's Vikings defeated the Tigers 13-0 at Wilson. After a scoreless first half, Jack Wert, fleet Viking halfback, set up Central's scores on two interrupted Schenck passes. Ross Keith raced ten yards around end for the first goal and Bill Shirey counted for the second on a line smash from the 5-yard line. The Tigers fought hard throughout the game but breaks again determined the final score.

WILSON—28

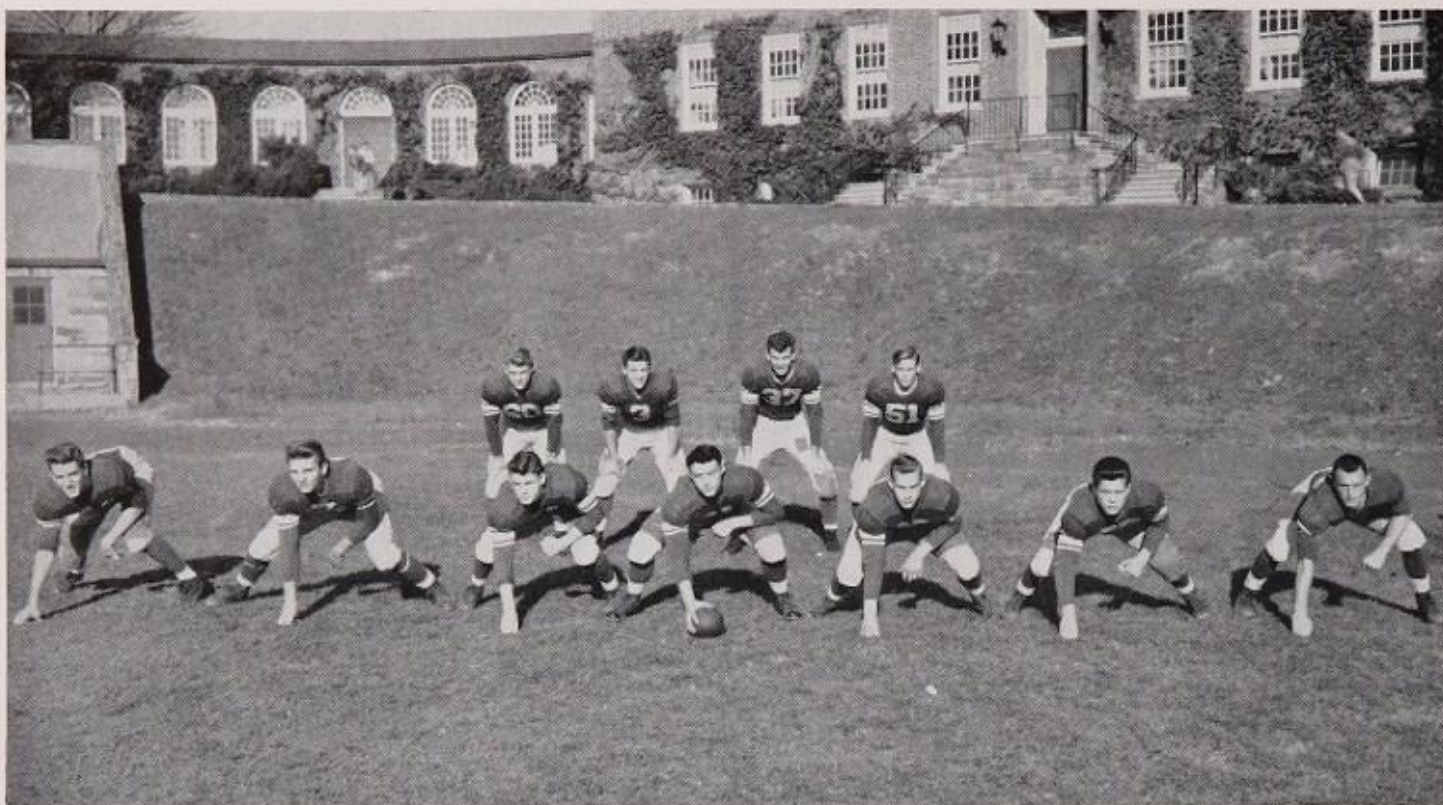

ROOSEVELT—6

An impregnable forward wall and an immovable backfield were all the Tigers needed to conquer Roosevelt. The 28-6 score proved how effective that combination was. The Wilson force was led by Bob Schabacker, Bill Voigt, and Pat O'Neill in recording its third win. Four touchdowns, two extra points and one safety accounted for Wilson's points.

WILSON—12

EASTERN—7

Fred Schenck's perfect pass to John Simmel with three seconds left in the game, gave Wilson a close 12-7 victory over the Ramblers from Eastern. This was the first football victory that Wilson has ever recorded over Eastern. With two minutes left to play, trailing 7-6, the Tigers started to roll from their own 28-yard line. A sustained drive found the ball on Eastern's 18-yard line where Schenck faded back, faked to Fones, and fired a strike to John Simmel, who was alone in the end zone.

FOOTBALL TEAM

Line—(left to right) : Bill Fogarty, Hugh Leadam, Gene Mulligan, Ed Frager, Bobb Dodd, Bob Schabacker, John Simmel.

Backs—(left to right) : Martin Weigand, Bill Voigt, Fred Schenck, Bob Schmelzer.

WESTERN—14

WILSON—12

Two second-half scores enabled the Western Raiders to eke out a close victory over the Tigers in the final game of the season. Leading 12-0 in the first half on runs by Bill Voigt, the Raiders picked at the lead until a last minute pass by Western spelled defeat for the Green and White. This final defeat by the Raiders left Wilson tied for fourth in the inter-high standings with a record of 4 wins and 5 losses.

JUNIOR VARSITY FOOTBALL

First row—(left to right) : Frank Daly, assistant coach, Baker Smith, Charles Beaumont, Dick Janigian, George Pappafotis, Seymore Frischman, Kenneth James.

Second row—(left to right) : Robert Merrill, Jack Hynson, Ralph White, Gilbert Sward, John Tibbets.

Third row—(left to right) : Richard Noyes, Don Meany, Jim Davis, Hinton Tayloe, Lester Yarrington.

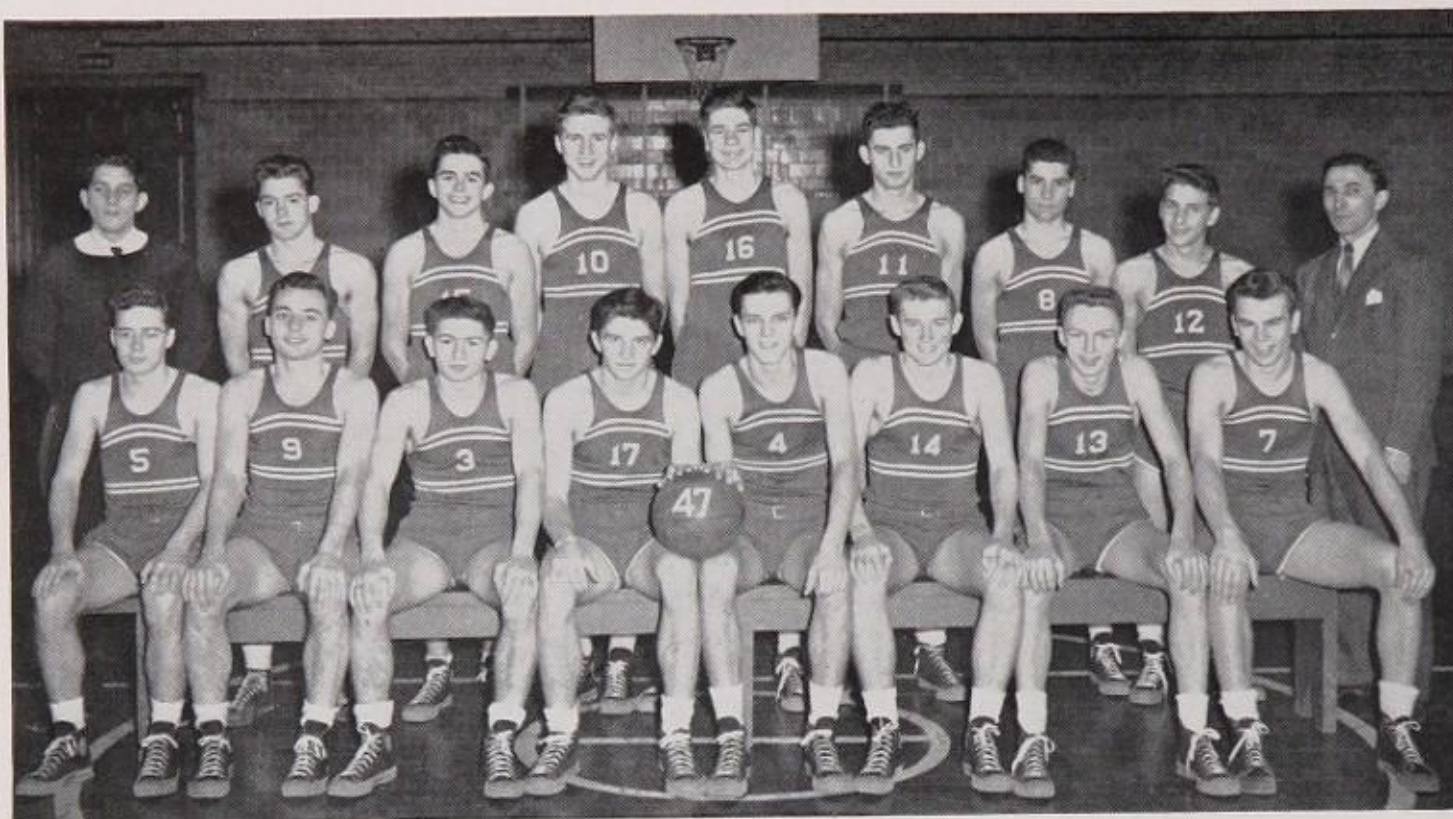

Fourth row—(left to right) : George McWhorter, Terry Fielder, Bill Warnike, Don Robertson, manager, Sherfy Jones, Bill Shanks, Dick Massing.

Junior Varsity Football

Under the fine coaching of Mr. Sam Feller, the J.V. football squad ended with a perfect season winning five games without taking a loss.

The J.V.'s ran up a total of 82 points with their opposition scoring but six. Richard Janigian was high scorer on the team with 49 points.

The boys who saw the most action were George Pappafotis, Dick Massing, George MacWhorter, Don Meany, Bill Tadd, Grover Cooper, Richard Janigian, Seymour Frishman, Baker Smith, Bob Merrill, and Lester Yarrington.

VARSITY BASKETBALL

Front row—(left to right): Gerry Thomas, George Hanc, Al Monaco, Pat O'Neill, Jack Whitcomb, Bob Carter, Don Snider, Fred Schenk.

Second row—(left to right): Charles Forbes, assistant manager, Dick Sanders, Gibson Smith, Bill Maddox, Paul Reading, Don Kruithoff, Jim Mazor, Dick Janigian, Mr. Kupka, Coach.

Basketball

TECH—41

WILSON—36

Using their height to their best advantage, the Tech Trainers overshadowed Wilson 41-36 in the last three minutes of play. Wilson, after losing in the first two quarters, managed to tie up the game and go ahead by three points going into the last period. The Tigers then built their lead up to 35-28, but Tech came on fast to tie it at 36-36. With only a few seconds left, Chase and Lawrence dumped a basket apiece and the game was over. O'Neill was high scorer with 16 points.

ANNACOSTIA—39

WILSON—36

Again failing to hold on to a lead in the final minutes, the Tigers lost their second inter-high contest, 39-36, to a lanky Annacostia squad. Wilson, lacking fight in the first quarter, found themselves on the poor end of a 12-7 score. From there on, the Tigers took fire with Al Monaco leading the attack. Before the Indians could score in the third quarter, Wilson went ahead 27 to 23. From then on it was basket for basket for both teams. Scoring but 8 points in the final stanza, Wilson found themselves losing as the game ended.

COOLIDGE—47

WILSON—44

Out for revenge for the past defeats by Coolidge, the Tigers again lost in the closing minutes of the game, this time in an overtime period. Wilson led at the end of the first period but dropped back to 22-20 at half's end. Early in the third quarter, the Tigers again took the lead, and held it until Tommy Boyle sank the tying points as the game ended. In the overtime, Rohr, Kleinecht, and Taylor scored one apiece with only Monaco and O'Neill registering for Wilson. High scorer was Bob Kleinecht who put in 21 points for Coolidge.

WILSON—50

CENTRAL—40

Wilson after losing three straight games came back to win their first high game from Central, 50 to 40. The Tigers, after taking a large lead in the first frame, were never threatened until the losers pulled up to within two points in the last stanza. Don Snider then pulled the game out of the fire by sinking two shots. Pat O'Neill and Don Snider paced the Tigers with 18 and 16 points, respectively.

WILSON—43

ROOSEVELT—31

Winning their second game in a row, the Green Tigers defeated an ineffective Roosevelt quint, 43-31, in the Tech gym. Leading all the way, Wilson massed a 23-15 halftime lead, which was increased to 38-19 at the end of the third period. From then on, the second and third stringers took over to go on to victory. Jack Whitcomb was high for Wilson with 12 points and O'Neill was next with 9.

WILSON—60

WESTERN—40

Fighting for a playoff berth, the scrapping Tigers again found an easy game in defeating Western 40-60. Pat O'Neill led the Tigers with a 24 point show. Leading all the way, the Tigers got hot in the final stanza, scoring 12 straight points before Western could fire one. From then on, a 20 point lead gave Wilson its third straight inter-high win. Snider was second to O'Neill in scoring by putting up 12 points.

After losing three straight inter-high games, the Tigers were counted out of the playoffs. Then came a four game winning streak climaxed by its 50-34 win over Eastern to put Wilson in a playoff berth. Pat O'Neill again took scoring honors with 16 points to take the inter-high scoring crown of the year. The Green Tigers were never behind in the entire game leading 12-7 at the quarter and 19-15 at the half. O'Neill led the attack in the third stanza by registering three baskets and boosting Wilson's lead to 35-21 going into the final quarter. From there, Wilson went on to win.

Grabbing a decisive lead in the first half of play, the Colts defeated Wilson 47-35 during the playoff game. Led by Stan King and Bob Kleinecht, Coolidge was in front 26-8 at the half. Fighting all the way, the Tigers came to within six points of tying early in the last period but fell by the wayside when Kleinecht sunk two baskets to clinch the game for the Colts. Pat O'Neill was again high scorer with 18 points. Much credit should be given to the fighting Wilson five who after losing three straight games, came back to win a playoff berth.

JUNIOR VARSITY BASKETBALL

Front row—(left to right): Howard Bender, Sherfy Jones, Baker Smith, Pete Walker, Charles Beaumont, Dick Massing, Leigh Gunn, Charles Reynolds.

Second row—(left to right): Einar Lindholm, Manager, Allen Sher, Jerry Steis, Landon Spillman, George Brott, Rommy Linney, Linn Felt, Bobby Williams, Mr. Feller.

Junior Varsity Basketball

Recording another successful year, the Jayvee basketball team under the coaching of Mr. Sam Feller turned in a record of nine wins and two losses. Playing the most quarters were Baker Smith, Leigh Gunn, Sherfey Jones, Peter Walker, Dick Massing and Howard Bender.

The Tigers compiled a total of 388 points for an average of 35.3 points per game, while their opponents were held to 238 points for only 21.7 points per game. High scorer for the J. V.'s was Baker Smith with 86 points.

Track

Aiming toward their fifth straight inter-high track championship, the Tigers' cinder boys, under the coaching of Mr. Willard Bristor, have started daily workouts on a rebuilt track.

Hampered by the return of few lettermen, the squad must rely on the many experienced boys of last year who failed to win monograms. Veterans include letterman Charles Fyfe and Osman Barr, leaders in the 100 and 220 yards dashes, Donald Danley, Charles Tron in the quarter of a mile and letterman Leigh Gunn, Jim Hurst in the half mile and mile.

The Tigers contain most of their strength in the field events with lettermen John Leadam, Bruce Goldberg, and Ernest Peixotto returning to throw the shot put and discus. Tom Wood and Clarence Kettler, also "W" winners, return in the high jump, broad jump and pole vault. Leading runners in the hurdles are Fred Schenck and Henry Elliot.

Baseball

With only four lettermen returning from last year, the Tiger nine, under the coaching of Mr. Clifford Netherton, appear to be dark horses in the inter-high race.

Returning pitchers include Tommy Evans and Don Snider, who will be backed up by newcomer "Lefty" MacMurray. Pat O'Neill, Jack Whitcomb, Jim Mazor, Eddie Frager, Gene Calnan, and Eddie Harris round out the infield problems. The outfield includes monogram winners Richard Jannigan, Martin Weigand, and Jack Whitcomb.

Speedball

Mostly third semester girls go out for this lively fall sport. Tournament games were played every Tuesday, Wednesday, and Thursday afternoon under the direction of Mrs. Steis. Fifteen girls plus the manager, Nancy Whittemore, won awards.

Hockey

Played at the same time as speedball, hockey was under the direction of Miss Linder. The four teams played each other twice. The manager, Sue Moyer, and eleven others received awards.

Tennis

This year Tennis was under the direction of Miss Garber. Barbara Teichmann won the tournament with Cynthia Kirk, a close runner-up. Because of weather conditions, the finals had to be played on an indoor court.

Basketball

More than 350 girls turned out to play in the basketball tournament under the direction of Miss Garber. Playing both before and after school, the teams were organized this year, for the first time, within their separate gym classes. Managed by Cora Marty, the tournament was won by Miss Boardman's 4b Team.

WINNING BASKETBALL TEAM

First Row—(left to right) : Jane McGrady, Pat Feeley, Betty Bonnet.

Second Row—(left to right) : Margaret Ann Scott, Polly Fullinwider, Ann Darnell.

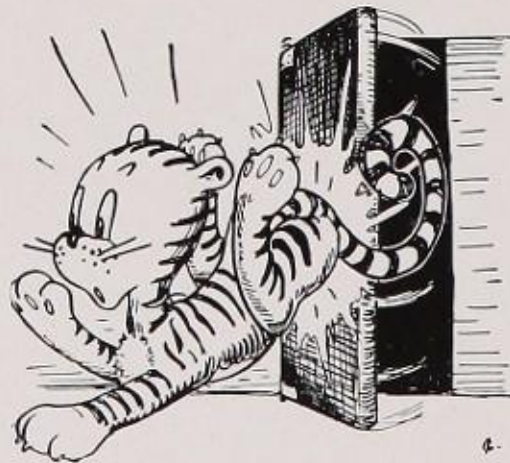

Volleyball

The volley ball tournament, under the direction of Miss Boardman, was held during March. The teams were formed by semesters to play their games in the afternoon. The rules stated that the games were to be played by halves of ten minutes each.

Girl's Sports

Woodrow Wilson offers a wide variety of girls' sports throughout the school year. In the fall there are speedball, hockey, and tennis. During the winter season the girls turn out for basketball and volleyball. With warmer weather comes Spring and the softball season.

All girls may participate for the tournmaents welcome all types and sizes from the midget to the amazon.

Alumni

AS history has it, there is no present without a past, and the glory of our past, even though it be short, may be rightly attributed to the splendid qualities of the Wilson Alumni. We respect those who have enhanced the fine reputation of our school by their achievements after graduation. We hope that our graduating class will be as successful as the past graduates have been in upholding the good record of our school.

Dear Mary Helen,
Give me
a good night
kiss.
Love,
Dad

ALL is not books, blackboards, and boredom at Wilson. Occasionally humor filters through our horrible hallucinations of homework. The following selections illustrate our moments of -----well, our moments. Shake well and serve with a grain of salt.

Passing Thoughts on Lunch Period

Samuel Taylor Coleridge—"So smoothly it was strewn!"

William Wordsworth—"I heard a thousand blended notes."

Robert Burns—"An' makes him quite forget his labor an' his toil."

George Gordon, Lord Byron—"Last noon beheld them full of lusty life."

Alfred Tennyson—"Set the wild echoes flying."

William Butler Yeats—"They set up a noise like crickets."

John Keats—"O for a draught of vintage."

Walt Whitman—"One hour of madness and joy!"

Rudyard Kipling—"And the little devils ran."

Sir Walter Scott—"Youth and mirth and glee."

John Milton—"Where more is meant than meets the ear."

Alexander Pope—"With singing, laughing, ogling, and all that!"

Oliver Goldsmith—"Those healthful sports that graced the peaceful scene."

William Blake—"When the air does laugh with our merry wit."

George Gordon, Lord Byron—"A ruin—yet what a ruin!"

John Masefield—"Laugh till the game is played; and be you merry, my friends."

From the HOME AND SCHOOL ASSOCIATION

The Woodrow Wilson Home and School Association is proud to take its place in this school annual on behalf of all the parents it represents. Through the Association the parents have played an important part in the year's school program. They look upon it as their school as truly as it is the school of their children, and they wish through this means to be remembered as part of it.

Acknowledgment is made with thanks of the services of the following officers and committee chairmen:

Some One Tried to Tell Me

That *Bill Boteler* was scruffy.
That *A.P. Conroy* was without a man.
That *Martha Hope* didn't have a leading role.
That *Wilson* has no spirit.
That *Bill Webb* was a long hair.
That *Nancy Cochran* forgot her cheery "Hello."
That *Keith Seegmiller* lost an election.
That *Marialyce Waid* missed a deadline.
That *Meade Peebles* was driving cautiously.
That the *Yearbook Staff* loafed. (?)
That *Forrest Montet* was without a crew-cut.
That there is a sharper brunette than *Bette Heiss*.
That *Wilsonites* are wide awake on Monday morning.
That *Roldah Northup* couldn't smile.
That *Bruce Kaufman* wore a tie.
That *Mary Abbe* lost that "Palmolive" look.
That someone was in section before 8:59 A.M.
That *Barbara Weigand* got a "B".
That *David Spain* gave up trying to revolutionize the school system.
That *Betty Fitzgerald* was seen without "Slug" Kettler.
That they received a college acceptance letter.
That *Joyce Kavanagh* studied in study hall.
That *Martin Wiegand* was in a hurry.
That *Margie Geiger* was at a loss for a witty remark.
That *Wayne Bangle* didn't drive that Cadillac to school.
That *Peggy Conant* was not on the go.
That *George Marsden* couldn't draw.
That *Marty Smoot* was on time.
That there was a better Yearbook than WOODROW WILSON '47.

.....but I didn't believe them.
